Education

Post and Telecommunications Institute of Technology 2023 - 2028 (expected)

Engineer of Software Engineering - Talent Program

- **GPA:** 3.54 / 4.00 (Software Engineering Talent Program)
- **Relevant Coursework:** Cloud Computing, Distributed Systems, Operating Systems, Computer Networks.

Honors and Awards

Talent Ambassador of Viettel Digital Talent Program 2026 July 2026

Third Prize - PTIT Bootcamp "Hack to Lead" 2025 Aug 2025

Second Prize - Computing Track at Huawei ICT 2024 - 2025 (Global Stage) May 2025

Grand Prize - Computing Track at Huawei ICT 2024 - 2025 (Regional Stage) Feb 2025

Second Prize - Computing Track at Huawei ICT 2024 - 2025 (National Stage) Dec 2024

Projects

ToiYeuPTIT DevOps Apr 2026 – June 2026

An interactive DevOps learning and practice platform (similar to KodeKloud), providing real lab environments for students.

- **Technologies:** Kubernetes, Docker, Sysbox Runtime, Ansible, Spring Boot
- **Responsibilities:** Directly designed and deployed Kubernetes clusters along with Container Runtimes as the core infrastructure. Built mechanisms for automated resource provisioning, isolation (sandbox environments), and revocation, ensuring stability when accessed by multiple students simultaneously.

Notebook Operator June 2026 – Aug 2026

A Kubernetes Operator managing JupyterLab environments on GPU infrastructure, serving AI/ML training and data science research.

- **Technologies:** Kubernetes, Kubebuilder, Golang, Ansible, NVIDIA MIG, HAMI
- **Responsibilities:** Engineered the Kubernetes Operator using Kubebuilder in Golang. Implemented dynamic GPU scheduling supporting both HAMI vGPU sharing and NVIDIA MIG via Extended Resources. Automated bare-metal infrastructure provisioning for K3s and NVIDIA Toolkit using Ansible. Enforced strict Pod Security constraints (non-root, dropped capabilities) for lab environments.

Certifications

PTIT Samsung 2025 DevOps Basis June 2025

Activities

Liên chi Đoàn Khoa CNTT1 - PTIT 2023 - present

Logistics Team Member

- Exchanged specialized knowledge.
- Participated in basic and advanced programming courses organized by the Union.
- Participated in volunteer events.
- Supported events to hone soft skills.

CLB Tôi yêu PTIT 2025 - present

Dev-Cloud Team Member

- Participated in developing the club's products.
- Learned specialized knowledge.
- Participated in knowledge-sharing seminars.

Lab ươm mầm tài năng - NITS 2025 - present

Member

- Participated in building projects.
- Organized seminars to share knowledge.
- Supported the training of junior students.
